

I, an authorized representative of my company, \_\_\_\_\_ (appraisal company), acknowledge that any and all appraisal orders made by individuals associated with Prime Cap Financial, Oak Hill Mortgage, Inc. and/or Evofi One, hereafter referred to as Evofi One, are the responsibility of the loan officer affiliated with that transaction and that Evofi One have no liability to pay in the event that the loan officer or borrower does not pay.

As an approved service provider of Evofi One I/we understand that it is recommended that all appraisals be ordered as C.O.D.. In the event that payment is not available upon inspection I/we acknowledge that it is the appraisal company's decision to extend credit to the individual loan officer and not Evofi One. Further Evofi One make no guarantee regarding the ability of any loan officer to repay an extension of credit.

In the event that a loan officer becomes delinquent on any credit extension/unpaid invoice, I/we acknowledge that no claim can be brought against Evofi One. Additionally, should a payment be returned or invalid, I/we understand that we cannot transfer the liability of the outstanding account to Evofi One and that it is always the responsibility of the individual loan officer.

This agreement is made between \_\_\_\_\_ (appraisal company) and Evofi One. Upon the signing of this agreement, \_\_\_\_\_ (appraisal company) will be added to the list of approved appraisers for Evofi One.
